

Integrated for Success

Why did we partner?

LeaseQuery has integrated its solution with Acumatica, an industry leader in small to medium business enterprise resource planning (ERP). Our partnership brings two products together to facilitate complex lease accounting compliance and drive customers through their unique digital transformation plans.

Acumatica ERP delivers adaptable cloud and mobile technology with an all-inclusive user licensing model, enabling a complete, real-time view of your business anytime, anywhere.

Through their worldwide network of partners, Acumatica provides the full suite of integrated business management applications, including Financials, Distribution, Manufacturing, Project Accounting, Field Service, Retail-Commerce, Construction, and CRM.

There is only one true Cloud ERP platform designed for mid-sized customers – Acumatica.

Why integrate?

The integration between LeaseQuery and Acumatica simplifies lease accounting for users, maximizes time savings, and eliminates substantial mistakes by automating the journal entry and accounts payable processes for leased assets.

Here are several key benefits from the integration:

- ✓ *Automate journal entries to the general ledger*
- ✓ *Automate Accounts Payable process for leased assets*
- ✓ *Maximize time spent in ERP, improving user experience and efficiency*
- ✓ *Eliminate human error by using the integration to post your entries*
- ✓ *Streamlined seamless workflow creates time for additional projects*

What's included in the integration?

With LeaseQuery's integration with Acumatica, LeaseQuery customers are able to send lease data directly to the General Journal and drive the Accounts Payable Process within Acumatica. A user can spot check entries for accuracy before formally posting to the General Journal and complete the AP process by transmitting a check run directly into Acumatica with one click! LeaseQuery pushes data into Acumatica making your transition easier than ever and simplifying the long term management of your leased asset portfolio.
