

ACCOUNTS RECEIVABLE AUTOMATION LIVE DEMO

See how YayPay makes it easy for B2B finance teams to stay ahead of AR and get paid faster - from anywhere

 Every Wednesday

 12.00-12.30pm EST / 17.00-17.30pm GMT

We've met with thousands of AR teams and discovered a few challenges they share:

1.5% of receivables are written off as bad debt

Inaccurate invoices cause 61% of late payments

93% of companies are paid late

SAVE YOUR SEAT

We'll show you how to free your team from inefficient processes such as manual reporting and collections, while increasing accuracy and visibility within the AR process.

You'll learn how YayPay helps you predict payor behaviour, accelerate collections and delight customers, so you get paid faster.

Sign up for our next webinar and let us walk you through a live AR automation demo of YayPay.
